DESCRIPTION

The 7000C über light halogen sewing light is designed to make your sewing job a whole lot easier.

With proven halogen technology, über light will provide up to 40% more cool-bright light (the kind of light that is easy on the eyes) while generating up to 70% less heat.

Plus, über light is easy to install, and is built to the same high standards as all Reliable™ brand products.

BEST USED FOR

All types of sewing applications
Other hobbies that require bright lighting
